That will work, thank you! I'll get this out to the other regions and CMAT so they can start entering the codes in people plus for us.

If I need any additional information, is there a person in Region 6 that is able to help the PP coordinators?

Hi Geoff,

Take a look at this and let me know if you have any questions or additions needed.

\*\*\*\*\*

For PPL+ time charging.

Deployed personnel's home Regions will be setting up favorites in PPL+ for each person deployed and working under a Mission Assignment. The account code for time charging the MA is as follows:

**16/17 BR 06L0X13 303DC6 H001**

**For Region 6 employees** – PPL+ favorites will be entered in by COB tomorrow, Sept 6. For any issues, please contact the Personnel/Cost Unit Leader (currently Lisa Ruhl) @ 214-665-9707 or email me at [R6HarveyFSC@epa.gov](mailto:R6HarveyFSC@epa.gov)

**For Region 7 employees** – Debbie Bishop will be entering favorites for all R7 personnel. If you experience any issues please contact her at 915-551-7529, or email me at [R6HarveyFSC@epa.gov](mailto:R6HarveyFSC@epa.gov)

For other Regions, please contact your home offices to establish favorites per your normal policy. I'd be happy to facilitate info to them, just provide me names/contact info.

**This PPL+ code is ONLY for deployed personnel working directly under a MA. Please do not distribute to employees helping out at your home Region or filling a support role from within the Regions. There is a different reporting code for them.**

Hi Jake,  
Still waiting on a PR for \$510,000.00 to pay for the trailers that I ordered. Any idea if it is in process?
